

## FOR IMPORTERS

\*All Transformation Events Listed in this Annex are allowed for importation

\*Please take note of their expiration date. Once the biosafety permit of a particular transformation event expires, it will not be allowed to enter in the country

\*Once the permit of individual event included in the stack has expired, the biosafety permit of stacked event will be invalidated.

### LIST OF REGULATED ARTICLES WITH VALID BIOSAFETY PERMIT (as of November 5, 2018)

#### I. Regulated Articles (single transformation event) for Direct Use as Food and Feed, or For Processing

| Transformation event | Expiration Date of Biosafety Permit |
