

**Final Program**  
**Webinar on Data Transportability for Field Trial**  
**March 28, 2022**

**Co-organizers:**

DA-BPI Biotech Team  
 Program for Biosafety Systems

**Rationale**

Field trial data sets from other countries will be accepted in the Philippines under Article 5, Section 11 of JDC 1-2021. This webinar aims to enhance the capacity of regulatory personnel in this procedure. Presentations from other countries that have implemented the procedure will be shared for possible adaptation to the Philippine situation.
